LISTO

ID Product Code 035

Pag. 1

CLEAN & POLISH

Creamy maintenance polish for marble, granite, agglomerated marble.

Product description:

LISTO is a creamy water based product with double action: it cleans and brightens the gloss on marble, granite, stones. Its innovative formulation ensures fast removal of dirt and gives a shiny mirror without the use of solvents. It is indicated to clean and enhance the shiny on top, walls, tables, window sills, decorative objects.

Chemical characteristics:

Appearance	Cream
Color	Straw yellow
Odor	Characteristic perfume
Specific gravity at 20° C (68° F)	1,02 ± 0,02
Hydro-solubility	Soluble at every ratio
pH	8,2 ± 0,02
Shelf life at 20°C (68° F)	24 months in original container

Instruction for use

The surface must be clean, dry and free of dust.

Take from the jar the amount of LISTO needed to treat the portion of surface to be polished using the special sponge; apply the product on the surface in circular movements, in order to cover it completely. Allow LISTO to dry for about 10-15 minutes and then polish it with the polishing cloth included in the kit.

Application tools

Applying sponge

Polishing cloth

Suggestion for use and recommendations:

- It is recommended to periodically repeat the maintenance treatment in order to keep the material glossy.
- Read carefully recommendations printed on the tin and perform a test before use.

Application surfaces

Marble, granite, terrazzo, marmo-resin, marmo-cement, calcareous stones.
